

YOUNG GEORGIA AUTHORS **WRITING COMPETITION** **2022-2023**

OFFICIAL RULES BOOKLET

ABOUT THE YOUNG GEORGIA AUTHORS WRITING COMPETITION

The purpose of the Young Georgia Authors (YGA) writing competition is to encourage students to develop enthusiasm for and expertise in their writing, to provide a context to celebrate their writing successes, and to recognize student achievement in arts and academics.

This prestigious competition has been engaging Georgia students for more than two decades and is open to any student currently enrolled in Georgia **public** schools, grades K-12. The competition is sponsored by the Georgia Language Arts Supervisors (GLAS) and the Georgia RESA Network with support from the Georgia Department of Education.

Questions? Contact your RESA YGA Coordinator!

A list of RESA YGA Coordinators is provided at the end of this document.

ENTRY OVERVIEW

Writings shall be entered into the state-level competition by winning the tiered levels: (a) local school, (b) district, (c) RESA District, and then (d) state. School systems may submit ONE winning entry per grade level (K-12) to the RESA-level competition. RESA-level winners will advance to the state-level competition.

- Journalism
- Academic/Research Reports

SELECTION PROCEDURES

1. The writing contest begins with a school-wide competition. Grade-level winners should be sent to the system coordinator by the date determined by your designated System Coordinator.
2. A system-level contest must be held. ONE winning entry per grade from the system contest shall be submitted from a system-level administrator to the RESA ELA Specialist or designee. Multiple entries by grade will be disqualified. Individual entries sent by teachers, students, or schools will not be judged.
3. Winning entries from each system must be received by the RESA District ELA Supervisor no later than **5:00 p.m. on Thursday, February 23, 2023**. Entries received after this deadline will not be accepted. RESA YGA Coordinators may

also set an earlier submission deadline. Electronic versus paper submission is the preference of your RESA. If your RESA chooses electronic submission, those submission guidelines will be provided to you by the RESA YGA Coordinator.

4. Judging will be conducted by an appointed committee of English Language Arts professionals convened by the RESA YGA Coordinator for the purpose of selecting a RESA Winner at each grade level. The RESA YGA Coordinator should log each district's winner for grade levels K-12, prepare a master list of entries and safeguard the names and identifying school of origin in order to protect the integrity of the judging process. Judges shall not be aware of the name of the student or school of origin. Once the RESA-level winners have been determined, the RESA YGA Coordinator will send the entry form, original entry, and one copy of each grade-level winner with a composite list of the names of the winners. **The deadline to receive the RESA winners to GLAS is Thursday, March 23, 2023.** Entries received after that date will not be judged.
5. State-level winners will be announced on the GLAS website (<http://galangartssup.weebly.com/young-georgia-authors.html>) and the GaDOE website.

Frequently Asked Questions:

- Q. *The instructions reference the "original" work, but then they talk about making sure that there is certain header information on each page of the original and the copy.*
- A. Original work refers to work that the student created without the help of others. System coordinators are asked to verify that each system winner has the proper heading. This information may be handwritten and must be on each page of the entry.
- Q. *Do we submit all drafts or just the final copy?*
- A. Final copy
- Q. *My students collaborated on a writing project. May I submit multiple names for system consideration?*
- A. YGA is a writing contest for individuals. While we support collaboration in the classroom, only one student per grade level in each school system may advance to the RESA level.
